# Modern Architecture

Modern architecture or modernist architecture is a term applied to a group of styles of architecture which emerged in the first half of the 20th century.

**Emerge time**  
End of the 19th century

**Early modernism**  
Europe 1900–1914

**Materials**  
Cast iron, plate glass, ...

CONTACT

The screenshot shows a website for 'BRC Inc.' with a dark header bar containing the logo 'BRC Inc.', navigation links for 'HOME', 'ABOUT', 'SERVICE', 'PROJECT', and 'CONTACT', and a search bar with the placeholder 'Search...'. Below the header is a large banner image of a modern building at dusk. Overlaid on the banner is the text 'BRC A NEW KIND OF RESIDENCES.' in white. To the left of the banner is a vertical sidebar with the text 'BRC Residences / 18' and 'SOCIAL MEDIA' followed by icons for Facebook, Instagram, and Twitter. The main content area features two sections: '01 Energy Efficiency in the Modern Lab' with a thumbnail image and '02 Energy Efficiency in the Modern Lab' with another thumbnail image. At the bottom of the page, there is a section titled 'ABOUT BRC ARCH.' with text about the future of work and luxury, and a footer with social media links.

ABOUT BRC ARCH.

The Future of Work is an examination of the trends, technologies.

In our latest report on multifamily and vertical living.

Unique and exclusive travel experiences have replaced luxury handbags, high-end cars well-tailored suits as the newest status symbols.

of course, new-build, luxury multifamily buildings are typically first.

In our latest report on multifamily and vertical living, we harvested the collective imaginations of our design
